

FESTIVAL HOST PROGRAM

Our Festival Hosts help you make the most of your Festival visit!

Our Festival Host program pairs your class with knowledgeable volunteers who meet you at the Festival Arrivals Kiosk and act as your personal guides and assistants throughout your day at the Festival.

Festival Hosts help you make the most of your Festival visit:

- getting you to your show venues on time
- finding a lovely spot to have a picnic lunch
- suggesting the best hands-on activities for your class

Classes going to French language shows will systematically be paired with French-speaking Hosts. Please let us know in advance if you want your host to communicate with your group in a language other than English or French.

Call **604.708.5655** or email us at edu@childrensfestival.ca for information.
