

Where Volunteers Are Needed

FACE PAINTING

Put your artistic skills to work and a smile on every face you paint! Face painters will be chosen by an interview process and receive full training (artistic ability required). Duties include:

- paint children's faces at the full-serve station,
- assist with supplies, line-up control and traffic flow.

FLOATERS

Can't decide what to do? Sign up as a floater and then select from a variety of activities that need your help most on the day you volunteer, filling in for absent volunteers and doing unique jobs: a great choice of activities!

FESTIVAL GUIDES / HOSTS

Help with school bus arrivals/departures weekdays and accompany school groups during their Festival visit. Provide orientation to the general public on the weekend, assisting them with show or activity choices..

Nous avons également besoin de bénévoles qui parlent français pour nos spectacles et activités en français mercredi 1 et vendredi 3 juin.
