Hello everyone!

My name is Fred Penner. For 50 years, yes 50 years, I've toured across Canada and the USA and other parts of the world sharing my songs in theatres, on television and at wonderful festivals like the Vancouver International Children's Festival. I'm excited to come perform for you at the festival.

For those of you who don't know me, I'm a white man, 6ft. 2in. (that is tall) with short grey hair a long white beard, it used to be brown when I was younger but I am over 70 now. I smile a lot and some people say I am like a gentle giant. I don't know what I will wear on the day of the show, but I usually wear dark pants and a colourful shirt, and sometimes I like to wear a hat. For my show it will be just me and my trusted guitar on the stage.

Two of my favourite songs are The Cat Came Back and Sandwiches and there will many more that you may already know. My guitar and I invite you to be part of my musical experience. Listen! Sing! I hope to see you soon.

Fred
